From N3, take the Edenvale exit, proceed around the circle taking the third exit. At traffic lights turn left onto the R25 toward Modderfontein and Kempton Park. Cross the first set of traffic lights, and immediately thereafter take the slip road exit to the left signposted "Modderfontein". Follow this road toward NOBEL GATE, around a small dam on the right where it becomes Centenary Street. At the stop street turn left into Park Road and proceed through the traffic circle. Take right hand fork and follow Park road around a left hand bend. Standerton road is on the right with the entrance to Modderfontein Industrial Complex clearly visible.
